

You are invited to the **Uweza Foundation** Community Center Launch

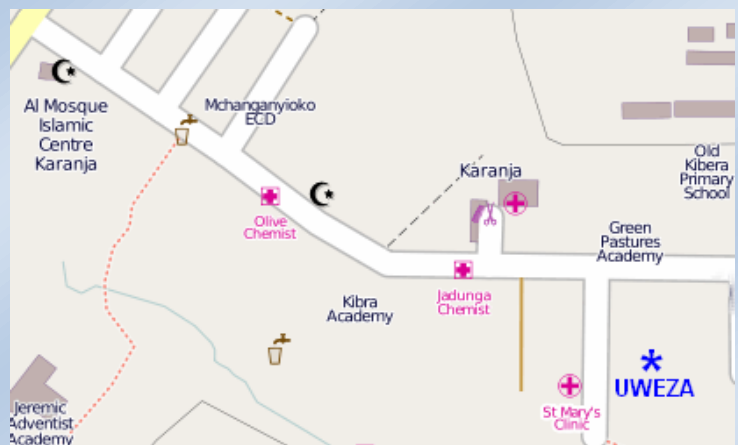

Saturday June 11 · 10 am to 2 pm

Uweza has been working in Kibera since 2008. Our aim is to fight the cycle of poverty that exists in the slum through empowerment of children and families and by building upon already-existing resourcefulness and capabilities.

Join us on Saturday as we celebrate the opening of our brand new community center!

For more information about Uweza or the event, please contact our Director William Moi Otieno at 0721838255.

The Uweza Community Center is located off Karanja Road in Kibera, across from St. Mary's Clinic.
